

**It's advanced infusion and cancer care close to home.**

## **The Irene Marie Infusion Center at Sutter Amador Outpatient Center**

We're proud to offer advanced cancer and infusion services in a serene and comfortable atmosphere close to where you live and work. Our specially trained infusion team provides the highest level of care and a wide spectrum of services important to you.

The center features:

- 10 spacious infusion chairs and one exam room.
- Both private and community infusion areas.
- Beautiful artwork by local artists.
- Large windows with panorama views of the nearby hills and trees.

**It's a thousand things big and small.**

**Once your provider has referred you, please call 209-257-7480 to schedule an appointment. We look forward to seeing you.**
