Since 2001, Amador County has been fundraising for local cancer patients. With your help over the past 19 years, Amador STARS has raised over \$1.8 million!

This money goes to:

- ★ Purchase and maintain a fleet of 8 vehicles for patient transportation
- ★ Provide a local office to answer questions and provide free patient transportation, free wigs, beauty advise, caps, scarves and assistance.
- ★ Donate over \$88,000 to cancer research

Your contributions make a difference in the lives of local cancer patients and their families.

STARS is blessed with a village of volunteers who help us to raise funds, drive the patients, and celebrate life. During the pandemic while most of our community was slowed to a crawl, Amador STARS continued to get cancer patients to the treatments they had scheduled.

In the last 2.5 years, STARS volunteers have driven patients 250,000 miles to cancer-related treatments!

to all of our amazing teams!
